WELCOMING NEW PATIENTS!

Is Your Medical Condition Affecting Your Oral Health?

Q: Why do certain medical conditions affect my teeth and gums?

A: Conditions like pregnancy & diabetes can cause hormonal changes and inflammation that increase your risk for gum disease and other oral health issues.

Q: What can I do about it?

A: Many dental plans recognize this link and offer enhanced benefits, including additional cleanings throughout the year.

Q: Am I eligible?

A: If you are pregnant, have diabetes, or another qualifying condition, you likely are! We can check your eligibility during your next visit.
